

## Supply Chain Expert (m/f/d)

**Uncertain supply chains, transport delays and quality volatility among suppliers? You don't see problems, you find the necessary solutions!**

### **YOUR MISSION:**

In a complex, global supply chain, you ensure the availability of materials and react quickly to changes, such as volatile production volumes or quality issues with suppliers. You constantly monitor stock levels and costs and independently implement necessary optimisation measures, such as supplier selection and negotiations with suppliers.

### **YOUR RESPONSIBILITIES**

- Your responsibilities include obtaining and selecting offers, and subsequent commissioning in China, the USA and the EU
- Price and contract negotiations are prepared and conducted by you. You organise the transportation of incoming and outgoing goods, and ensure that delivery dates are met
- You handle complaints and returns of non-conforming products to the supplier

### **YOUR EXPERIENCES**

- You have completed a business education at HAK or university level (or equivalent)
- You have relevant experience in international purchasing, including in-depth knowledge of purchasing processes and tools
- You have a basic understanding of materials in the fields of electronics and mechanics
- You have strong communication skills, including business-level English and,

- Your area of responsibility also includes ongoing inventory control, active management of supply chain risks and continuous monitoring of material prices
- Your intercultural experience enables you to communicate smoothly with both internal and external stakeholders

## WHY CHERRY SHOULD BE YOUR CHOICE

### WHAT IS CHERRY DOING?

We are an international manufacturer of keyboards and mice for the gaming & e-sports, office, healthcare and industrial sectors. In addition, CHERRY produces high-end switches for mechanical keyboards in Germany and China. Since its foundation in 1953, CHERRY has stood for innovative and high-quality products that are specially developed for different customer needs.

### YOUR BENEFITS

- You can expect a diverse range of tasks and a collegial, ambitious and agile start-up environment
- Although you will work independently in Vienna, you can rely on the support of the CHERRY teams in China and Germany
- Depending on your experience and qualifications, you will receive a gross annual salary of between €60,000 and €80,000 for full-time employment, which is above the minimum salary stipulated in the collective agreement (KV „Datenverarbeitung und Informationstechnik“)
