

Start-up character with flat hierarchies and the security of an established medium-sized company. Both in one company? Yes, with us - with CHERRY! We are an agile company - if you want to make a difference and shape the future, you've come to the right place. Become part of the CHERRY family!

Cherry is a global manufacturer of high-end mechanical keyboard switches and computer input devices such as keyboards, mice, microphones and headsets for gaming & e-sports and (hybrid) office workstation applications as well as industrial applications and the healthcare sector. Since its founding in 1953, Cherry has stood for innovative and high-quality products and services that are developed specifically for different customer needs.

For the further growth of the **Cherry SE** we are recruiting for our branch in **Munich** a

Process Digitalization Coordinator (m/w/d) - remote option

Your tasks:

- Designing, implementing and supporting complex digitalization projects within the company's process landscape
- Developing, coordinating and digitalizing company processes in collaboration with central business steering
- Defining the scope of services and systems in coordination with internal and external stakeholders and negotiating with system providers
- Realisation of projects including configuration and architecture of new or expansion of existing systems

- Contributing to the development and adaptation of the corporate IT strategy
- Ensuring user support and designing training measures
- Initiating measures for the ongoing optimization of existing IT systems
- Project management within the scope of IT projects

Your profile:

- Completed vocational training or university degree in IT, business informatics, commercial engineering or a comparable qualification
- Sound knowledge of workflow systems (e.g. MS Power) and MS Project
- Relevant experience in the management of IT projects and in the digitalization of business processes
- Business fluent German and good written and spoken English skills
- Conscientious, team-oriented and analytical way of working
- Availability at the Auerbach i.d.OPf. office for onboarding and occasional meetings

We offer:

- An exciting working environment at a "hidden champion"
- Motivated and committed teams with strong team spirit
- Well structured on-the-job training, which includes an individual training program
- Flat hierarchies and a high degree of freedom in decision-making
